Explanatory Note on Sale Requirement

Abbreviation	Full Name	Meaning
POM	Prescription Only Medicines	Prescription Only Medicines are medicines which must only be purchased with a prescription in a pharmacy.
P	Pharmacy Only Medicines	Pharmacy Only Medicines are medicines which can be purchased in a pharmacy in the presence and under the supervision of a registered pharmacist, but without the need of a prescription.
OTC	Over-the-Counter Medicines	Over-the-Counter Medicines are in general medicines classified as Part 2 poison and 'Not a Poison'. For medicines which are classified as 'Not a Poison', they can be freely purchased from a pharmacy (Authorized Seller of Poisons), a medicine store (Listed Seller of Poisons), or any other non-licensed premises; whereas for Part 2 Poisons, they can be purchased only from a pharmacy or a medicine store.
